Celebrating the 25th Year of The Ford Script

Benny Leonard (right) was presented the Carl Patrick Award by Jim Gray, Chairman of the selection committee, at the GWC Model A Club membership meeting on December 17, 2003. Story on Page 6.

Model A. Ford automobiles*

THE 2003 CARL PATRICK AWARD (Front Page Photo)

The Carl Patrick Award is presented to the member who best contributes to the Chapter in one or more of seven ways designated in the Awards Procedure.

Benny Leonard has always met the seven items, but in the past year, he has excelled beyond even his high norm on the item "*Unselfishly devotes time and effort to help others restore and preserve the Model A Ford.*"

At least two of our members would have been hard pressed to have drivable cars for the 2003 MARC national meet in Dearborn, Michigan, if Benny had not spent long hours solving problems and just plain getting things done.

He also helped several other members who were really "stuck".

Benny does not stand around wringing his hands when time, ideas, parts, and money all run out at once. He makes things work, and he gets jobs done.

The owner of the car better hand him tools and keep moving and keep a positive attitude because Benny does not take "lets quit" for an answer!

Congratulations, Benny, for an award richly deserved!

GWC MEMBERS GET MAFCA LONGEVITY AWARDS

A few weeks ago, **Van Linsey** received his 45-year Longevity Award from the Model A Ford Club of America. Van's membership in MAFCA predates his membership in the George Washington Chapter, having joined MAFCA while a member of the Potomac Chapter.

Richard Mousseau received his 30-year Longevity Award, and **Dick Johns**, **Herbert Langenfield** and **Don Temple** received their 25-year Longevity Awards.

Please congratulate Van, Richard, Dick, Herbert and Don on their milestone achievements when you see them. A full list of all awards was published in the November/December 2003 issue of *The Restorer*.
